Rules for Prelims –

- North East Social Summit is a trademark event of Alcheringa aimed at tackling the socio-political and socio-economic issues of North East India.
- You can participate individually or in a team of not more than 3 members. There is no registration fee.
- The competition consists of two rounds: Prelims and Finals. The last date for registration is 24th October, 2019 after which the case study for the prelims will be mailed to the participants.
- The prelims will be a Data Visualization + Case Study competition. The case will contain some datasets and the contestants have to represent them by using any plotting software such as Excel, Origin, Tableau etc. The data should be represented in the form of 2-D or 3-D graphs/maps or any other suitable plots such that the given information is communicated effectively and supports the conclusions that will be drawn from the data.
- Based on the visualized data, the contestants have to derive their own inference and conclusions about the case and use them to propose solutions for the problems asked at the end.
- The visualized data and the proposed solutions should be presented professionally in a PowerPoint presentation, containing not more than 15 slides.
- The solution should be mailed on the following ID: **campaign@alcheringa.in** with the .ppt extension in the following format:
- {Team Name_Team Head Name}.ppt
- The first slide of the presentation should contain the details of all the members of your team.
- Each team is allowed multiple submissions but only the latest solution mailed before the deadline will be evaluated.
- Deadline for submission: 23:59, 4th November, 2019.
- The top 20 teams from the prelims will be invited to IIT Guwahati during Alcheringa (30th January to 2nd February) for the final round.
